THE BOATHOUSE

INN & RESTAURANT

Built by renowned architect, hotelier, M.L. Tri Devakul, The Boathouse Inn & Restaurant, reflects traditional Thai architectural styles and thus blends perfectly with the tropical setting. To ensure a quiet stay

in peace, there are just 36 rooms, individually furnished to give a sense of exclusivity as well as the utmost comfort.

Luxurious and exclusive accommodation is matched by what is probably Phuket's finest restaurant. The menu includes the seafood specialities for which Phuket is famous, as well as a choice selection of

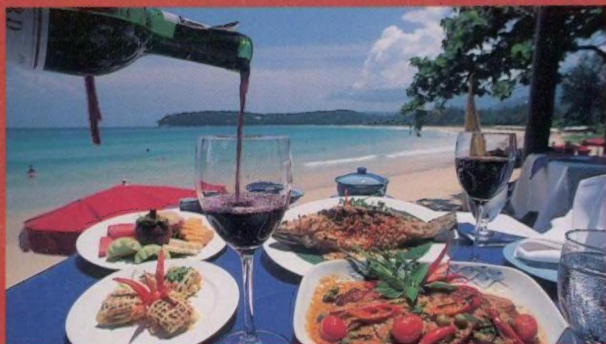

Thai and Continental dishes to satisfy even the most demanding palate. The highest culinary standards are paralleled by sophisticated surroundings and attentive service.

A bar overlooking the sea, and a jacuzzi pool in a restful setting provide every opportunity for a refreshing and relaxing time. At the Boathouse Inn & Restaurant informality is the keynote so that you feel entirely at home while, at the same time, appreciating every aspect of personalized service. Indeed, this is a hotel for those who prefer not to stay in a hotel.

"A Hotel for people who prefer not to stay in hotels"

The Boathouse is M.L. Tri's boutique Resort, with just 36 deluxe rooms and suites, located directly on quiet and beautiful Kata Beach. The Boathouse Wine & Grill provides excellent Thai and European cuisine, the best wine cellar on the island, a well trained and attentive staff and a two-day Thai Cooking course every Saturday & Sunday which has become World-famous.

"Small but ample, simple but stylish, friendly but efficient, local yet sophisticated. The Boathouse is one of the few hotels in which I could linger indefinitely..."
